

# FALL 2026 HBCU BUSINESS RESEARCH ACADEMY

## 8-Week Business Program For HBCU Students

- Partner with HBCU researchers to identify business opportunities.
- Learn how to take an idea to concept using commercialization tools.
- Gain hands-on experience by helping create business concepts.
- Open to juniors, seniors and MBA students, selected based on skills and research needs to work in teams, meet weekly and present a final project.
- Earn stipend upon project completion.
